

## Adoption Spotlight

### **Dodger**

**Dodger** is a friendly, 5-year-old Coonhound mix who loves to be scratched and rubbed. This affectionate boy enjoys the company of people, dogs, and even cats! Dodger is a bit of a Houdini—his curious nature makes him a talented escape artist! Yet, given the right family and proper fencing, Dodger's magic act will consist only of working his way into your heart - faster than the eye can see!
