

Adoption Spotlight

Pandora

Pandora, a 9-year-old beauty, found herself orphaned in a shelter confused and lonely. Staff and volunteers have found her quirky, somewhat persnickety and totally endearing. We are looking for that special cat lover who will understand and appreciate Pandora for her sense of humor. Pandora will provide you with companionship and her antics will provide you with entertainment! Meet her at the Seattle Humane Society, located at the junction of I-405 and I-90.
