For current schedule and pricing, visit www.seattlehumane.org or contact us using the information below.

DOG MANNERS (Foundation Level)

Dog Manners focuses on building the dog/handler relationship through basic training, leadership and awareness of how dogs communicate. Topics covered include polite greetings, basic skills, techniques for preventing unwanted behavior and appropriate dog/dog interactions (on leash).

Shy Dog Manners covers the same topics as Dog Manners yet is designed for dogs who are fearful of new people, dogs, and/or environments. Emphasis is on building confidence and helping dogs over their fears at their own pace.

Double Dog Manners covers the same topics as Dog Manners, but is for two dogs at once!

For all of the above Dog Manners classes:

Ages: Dogs must be at least 8 months old when class begins

Do not bring dogs to the first class

Important Note: Group classes may not be suitable for all dogs. With the exception of Reactive Rover, our classes are designed for dogs and puppies who are friendly to other dogs and people. Owners of dogs who have shown aggression (or very intense) reactions toward people or other dogs are encouraged to enroll in a specialized class (such as Reactive Rover) or take private lessons. If your dog shows aggression toward people or other dogs, or is disruptive to the class, (s)he may be dismissed from class and no refund will be granted. If you have questions or concerns about this whether your dog is suitable for class, please contact the instructor directly prior to enrolling.

SUPER MANNERS and CLICKS AND TRICKS (Continuing Level)

Super Manners adds a higher level of distraction and difficulty to the basic skills and introduces new skills. Emphasis is on performance in the real world. You may bring your dog to the first class.

Clicks and Tricks: Looking for fun ways to exercise your dog's body and mind while enriching your relationship with your canine companion? Discover the power of shaping your dog's behavior using a clicker as a marker signal. Beginning, intermediate and advanced tricks will be introduced and are sure to make your dog the talk of the neighborhood: spin left and right, nose target, pivot, put your toy away and more. Fun for both dog and handler is guaranteed.

Do not bring your dog to the first class.

For both of the above classes:

Ages: Dogs must be at least 8 months old when class begins

Prerequisite: Super Puppy, Dog Manners or instructor permission
