For current schedule and pricing, visit www.seattlehumane.org or contact us using the information below.

DOG MANNERS I (Foundation Level)

Dog Manners focuses on building the dog/handler relationship through basic training, leadership and awareness of how dogs communicate. Topics covered include polite greetings, basic skills, techniques for preventing unwanted behavior and appropriate dog/dog interactions (on leash).

Shy Dog Manners covers the same topics as Dog Manners yet is designed for dogs who are fearful of new people, dogs, and/or environments. Emphasis is on building confidence and helping dogs over their fears at their own pace.

Double Dog Manners covers the same topics as Dog Manners, but is for two dogs at once!

For all of the above Dog Manners I classes:

Ages: Dogs must be at least 8 months old when class begins

DO NOT bring dogs to the first class

Important Note: Group classes may not be suitable for all dogs. With the exception of Reactive Rover, our classes are designed for dogs and puppies who are friendly to other dogs and people. Owners of dogs who have shown aggressive (or very intense) reactions toward people or other dogs are encouraged to enroll in a specialized class (such as Reactive Rover) or take private lessons. If your dog shows aggression toward people or other dogs, or is disruptive to the class, (s)he may be dismissed from class and no refund will be granted. If you have questions or concerns about this whether your dog is suitable for class, please see our self-evaluation online or contact our staff before enrolling.

DOG MANNERS 2 and TRICKS FOR CLICKS (Continuing Level)

Dog Manners 2 (previously called "Super Manners") Take it to the next level with speedier responses, fewer food rewards & "free shaping" with the clicker. Emphasis is on recall (come) away from distractions, precision leash walking & focus on handler around other dogs. Canine Good Citizen items are also introduced. Emphasis is on reliable responses and more distance, distraction, and duration. **DO** bring your dog to the first class.

Tricks for Clicks: Looking for fun ways to exercise your dog's body and mind while enriching your relationship with your canine companion? Discover the power of shaping your dog's behavior using a clicker as a marker signal. Beginning, intermediate and advanced tricks will be introduced and are sure to make your dog the talk of the neighborhood: spin left and right, high 5, take a bow, sit pretty, jump through a hoop, and more! Fun for both dog and handler is guaranteed.

DO NOT bring your dog with you to the first class.

For both of the above classes:

Ages: Dogs must be at least 8 months old when class begins

Prerequisite: Puppy Manners 2, Dog Manners I, or instructor permission. Prerequisite classes must have been taken at the Seattle Humane Society, otherwise instructor permission is required.
