

## **Donation of Information Technology Items**

---

The Seattle Humane Society welcomes donations of IT related items such as desktop computers, laptops, servers, networking equipment and software. If you would like to donate computer workstations to the Seattle Humane Society we kindly request that they meet the minimum system requirements listed below:

- CPU Speed – Intel Core 2 based or higher or any CPU operating at 2.8GHz or higher
- RAM – 1GB or more
- Hard Disk – 80GB or more
- Monitors – LCD 17” or greater (CRT’s not accepted)

Please email our IT administrator at [itadmin@seattlehumane.org](mailto:itadmin@seattlehumane.org) or call 425-641-0080 ext.144 to discuss donation of any IT related items prior to bringing or delivering them to the Seattle Humane Society.
