

Kitten Kindergarten

**Join the revolution... Take your kitten to Kitten Kindergarten!
We have the only kitten socialization class program in the state!**

In this fun class, your kitten will have tons of opportunities for socialization with other kittens, as well as people of all ages. Teach appropriate litter box manners right from the start. Teach your kitten to use a scratching post instead of your furniture. Learn about boundary training – how to teach your kittens about off-limit areas. Teach your kitten to happily accept any type of handling, including nail trimming. Learn how to introduce a new kitten to the household, and how to keep your kitten content and occupied indoors. Plus, teach your kitten to sit on cue, come when you call him, and even a few fun tricks!

Ensure that your kitten grows up to be a happy, well-socialized adult – one who is happy to be held, handled, and cuddled for a lifetime.
