FELINE “FIX” DAY

Take Advantage of Low-Fee Cat Spays/Neuters on Nov. 4

Registration is now open for the Seattle Humane Society’s Feline “Fix” Day, on Nov. 4. Low-income cat owners can have male cats neutered for just \$15 and female cats spayed for \$25! Free microchip identification will also be implanted in cats having surgery that day.

Only 75 appointments are available, so cat owners are encouraged to call (425) 649-7560 to sign up and take advantage of this one-day opportunity. The surgeries will be done at the Seattle Humane Society, located at 13212 SE Eastgate Way in Bellevue, at the intersection of I-90 and I-405. Cats must be at least four months old.

“The Seattle Humane Society is a recognized leader in offering low-fee spay/neuter surgeries to King County citizens who would otherwise not be able to afford it,” said Brenda Barnette, chief executive officer for the Seattle Humane Society. “We are committed to helping reduce pet overpopulation and helping cat owners who want to do what is best for their pets.”

Not only does spaying or neutering a pet keep them from producing unwanted offspring, but research has shown that altered pets are healthier and happier. In addition, microchips may help pets get home safely in case of accidental separation from their guardians. Cat owners can give their best friend the surgery and microchip that will offer them a longer and healthier life – and the price can’t be beat!

For more information about Feline Fix Day, please call 425-649-7560 or visit www.seattlehumane.org.

The Seattle Humane Society was founded in 1897 to bring people and pets together. The Seattle Humane Society does this today through its low-fee spay/neuter surgery program, pet workshops and training, pet food bank, humane teen club, visiting pets program and more. The Seattle Humane Society is located in Bellevue, at 13212 SE Eastgate Way. For directions and more information, visit www.seattlehumane.org or call (425) 641-0080.
