

THE HUMANE SOCIETY
FOR SEATTLE/KING COUNTY

PET PHOTOGRAPHY

For current schedule and pricing, visit www.seattlehumane.org, click on “Classes and Training” and scroll down to “A La Carte Class Information.”

This workshop covers everything you need to know to take better photos of your pets and have more fun doing it. We'll take a pet-oriented look at the basics of camera equipment, lighting and composition, then drill down into a variety of specific pet-photography challenges and how to address them. The presentation (which will be available for download after the workshop) will include numerous examples and links to more information, and the pace will be fast and fun.

Workshop Agenda:

- Introduction
- Camera Gear
- Seeing the Light
- Composition
- Telling a Story
- Fill Flash
- Motion
- Miscellaneous Topics
- Post-Processing
- 10 Favorite Tips
- Resources, Q&A

Instructor: The workshop will be led by Doug Mahugh, who has posted thousands of pet photos to Flickr, Facebook, and Twitpic, including photos featured in Flickr Explore and Seattle's own I Can Has Cheezburger.

This is a seminar so humans only, please!
