

## *Fun, Safe and Supervised!*

**Fridays at 7:45pm 2/10 – 3/23 (no playgroup on 3/10)**

**Drop in fee: \$10**

Puppies learn many skills, such as bite inhibition and play by interacting with other pups. Does your puppy seem shy or uncertain? Does your pup seem to have boundless energy? Would you like to know more about dog body language and how pups communicate with each other? Would you like your puppy to gain experience meeting more puppies than those in class? Maybe you have puppy questions you would like to ask.

Join us for play group where puppies are divided into compatible groups for positive social experiences! One of our dog training instructors will be present to supervise.

Playgroups are for puppies 3 months to 7 months of age who would benefit from additional play time in developmentally appropriate groups.
