PUPPY HEAD START (Foundation Level)

Puppy Head Start focuses on the priorities of puppyhood: socialization, bite inhibition and the prevention of common behavior problems. Puppies are positively introduced to a variety of new stimuli, learn to enjoy being handled by new people, and play off-leash in compatible puppy play groups. Learn proactive games to avoid puppy problems like resource guarding. House training, crate training, puppy nipping, chewing, home alone training and polite manners are covered.

Ages: 8 to 16 weeks old when class begins

Do bring your puppy with you to the first class.

PUPPY MANNERS I S.T.A.R. (Foundation Level)

Puppy Manners S.T.A.R. offers basic training and ongoing socialization for puppies, either as a continuation of Puppy Head Start or as puppy's first class. S.T.A.R. stands for Socialization, Training, Activity and a Responsible owner, all of the things a puppy needs to be a wonderful lifelong companion. The S.T.A.R. program is the puppy equivalent to the AKC's well-known Canine Good Citizen program. Topics include polite greetings, basic skills and problem-solving as well as off-leash play in compatible puppy play groups. Your S.T.A.R puppy evaluation and certification happens at your graduation class.

PUPPY MANNERS 2 (Continuing Level)
