

Bringing people and pets together

## Meet Kitty!

Do people often tell you that you have a way with cats? Well then this may be just the Kitty for you! Kitty is a striking 4-year-old black and orange tortoiseshell in search of her purrfect match. She's a real love who lives to be scratched and petted — and when you've got just the right spot, Kitty will give you lovebites! Her way of expressing affection is not for everyone, but the true cat-savvy adopter will surely appreciate this unique feline and all her adorable quirks.
