

Bringing people and pets together

Meet Ying!

Ying is an easy-breezy kitty ready to suit your every mood! This adorable 11-year-old calico is happy to snuggle when you're up for it and happy to snooze solo when you're not. Ying's favorite activity of all is bird patrol! She'll keep a careful eye from a prime window seat for hours on end, until you check in with her for a quick pet. All Ying asks for in return is a purrfect powder room, as she can be particular about where she likes to do business.
