

Seal was surrendered to the Seattle Humane Society more than one year ago when her owner passed away. This sweet, 7-year-old kitty has an elegant gray coat and a serene personality but continues to be passed up for younger cats. To give her a break from shelter life, Seal has benefited from our Foster Care Program. Her foster family tells us that Seal enjoys sharing her home with other cats as well as with dogs. She's been known to cuddle up with her furry foster siblings and even groom them!

If you're looking for an easy-going kitty with wonderful manners to add to your brood, Seal may just be your girl. To learn more about Seal, or arrange a time to meet her, call Seattle Humane at (425) 649-7563 or email adoption@seattlehumane.org.
