# Meet Mario!

Mario is a cuddly 7-year old Pomeranian mix who loves to snuggle! Mario especially enjoys being on his person's lap where he feels safe and secure. When he isn't cuddling up, Mario loves to run after squeaky toys and go for long walks. Mario is currently getting a break from the shelter in a loving foster home. His foster mom tells us, "Mario gets very excited when I come home, even if I've only been gone a little while. He runs to get Bee (his toy bee) and brings it to me. He's a very friendly, outgoing little guy and likes anyone who gives off good vibes!"

Mario also enjoys playing with other dogs. Want to learn more? Call the Seattle Humane Society at (425) 649-7563 or email [adoption@seattlehumane.org](mailto:adoption@seattlehumane.org).
