

Marie is a 7-year-old black and white kitty with who is absolutely fabulous. This sassy girl owns everything she is, and makes excuses to no one. She likes to be queen of her domain and sports her signature crinkled ear like a rock star pulling off the latest look. Marie is not the instantly cuddly sort of cat, so when she decides to let you in you'll feel like the luckiest adopter around! Marie is also a big fan of all paper products. She enjoys batting around paper balls and sleeping on piles of paper for hours at a time!

Marie is currently very busy keeping all of the staff in line at the Seattle Humane Society in Bellevue. If you're as equally fabulous and confident as Marie, give us a ring at (425) 649-7563 or email [adoption@seattlehumane.org](mailto:adoption@seattlehumane.org) to learn more about her.
