

Abby is an 8-year-old brown and white tabby girl with big golden eyes and an adorably round moon-face. Abby is a full-figured kitty with a lot of love to give! Her favorite activities include purring for pets, making muffins, and enjoying a well-deserved tooshie scratch. Abby is a perfect mix - mature enough to nap quietly by your side with her cute little feet tucked in, yet still young enough to get a kick out of a feather-toy when you're up to it!

Abby is about as undemanding as they come. Her only request is that she be the only pet, as she likes to have your attention all to herself. Sound like the kitty for you? Come meet Abby today at the Seattle Humane Society in Bellevue.
