

If you're looking for a kitty with personality, look no further than Tiki! This 9-year-old medium hair tabby is fun, spunky, and bound to make you laugh. At the end of a long day, Tiki will race to the door to greet you and chatter away about how happy she is that you're home. She also has a hilarious play style. Her eyes get bigger and more beautiful at the first sight of a feather wand. She'll race around the room trying to catch it and once she does, she'll proudly trot off with it in her mouth, with the string and wand trailing behind her.

Tiki is currently being fostered in one of our offices. Want to meet this delightful firecracker? Stop by Seattle Humane in Bellevue! We're open seven days a week.
