Meet Kenai!

Kenai is a 2-year-old Alaskan Malamute mix with the softest coat on the planet and an absolute lust for life! This boy is big, bouncy, and a true puppy at heart. Kenai loves to play with other dogs who are as excited about everything as he is. This pup is as smart as a whip, with a touch of goofy. He would make a great companion for an active adopter who enjoys exercising and laughing. If you're a go-getter type who is always ahead of the game - Kenai is a pup who can keep up!

Sound like the perfect dog for you? Come meet Kenai and all his furry friends at the Seattle Humane Society in Bellevue. We're open 11 a.m. to 8 p.m. Thu.-Sat. and 11 a.m. to 6 p.m. Sun.-Wed.
