

THE HUMANE SOCIETY
FOR SEATTLE/KING COUNTY

DOG TRAINING CLASSES: FEB-MAR 2012 (duration: 6 weeks, 1 hour class time)

Our dog training classes use positive, gentle, and fun training methods. You will teach your dog to respond to voice cues (commands) and hand signals for all the basics such as sit, down, come, and stay as well as working on leave it and leash manners. Your dog will also receive the benefits of socialization and learn to work around distractions. Students learn to use a clicker as a marker signal to tell the dog when he is doing the desired behavior. Clicker training is a very effective, science-based system for teaching new behaviors with positive reinforcement. A word may be used as an alternative to the clicker. All classes include a clicker and wrist coil! ***Class is included w/ adoption fee within 30 days of adoption**
