

## Adoption Spotlight

### Carlos

**Carlos:** This 4-year-old grey and white tabby is on the lookout for a new best friend to start his new year off right! He's a big guy and independent and playful – his person will want a ready supply of fake mice and be handy with wand toys. Carlos is a discerning fellow needing quiet and his own space to nap. He'll take his time in establishing a new relationship, but once he does, his heart will belong only to you – he's the perfect date, not just for New Year's, but for everyday of 2009. Meet Carlos at the Seattle Humane Society, located in Bellevue.
