

## Adoption Spotlight

### Tim

**Tim:** 5-year-old Jack Russell Terrier now accepting applications for best friend status. Looking for active partner with equal enthusiasm for exercise and treats. Prefers sports that involve tennis balls, but is also willing to cuddle for movies like Air Bud. Applicants must enjoy being greeted every day with eager tail wags and should not mind a few doggy kisses. We know Tim wants us to ask Santa for a home for the holidays. Apply in person at the Seattle Humane Society, located at the junction of I-405 and I-90.
