

# Healthy Start Certificate

To give your pet the healthiest start possible, VCA Animal Hospitals will provide your newly adopted pet with the following:

## Complimentary Health Exam

Call your nearest VCA Animal Hospital to schedule your complimentary health exam within 14 days of date of adoption. A VCA representative may also contact you to schedule your first appointment.

## Complimentary 14-Day Follow-up Care\*

for any of the following conditions (\$250 maximum coverage):

- Upper respiratory infections
- Diarrhea of infectious origin
- Internal parasites
- Ear and eye infections
- Suture removal
- Infectious tracheobronchitis (kennel cough)
- Vomiting of infectious origin
- Common skin disorders
- Urinary tract infections

**Not included:** **Vaccinations, emergency and specialty veterinary services are not part of complimentary care.** Congenital and inherited diseases or conditions are not covered. No coverage is offered for the treatment of canine parvovirus, FIP, feline leukemia, FIV, distemper, hepatitis or ringworm.

\* **Copy of free first exam certificate from the shelter is required at initial exam.** The medical services identified above provided by VCA Animal Hospitals are covered up to \$250 during the first 14 days after adoption. This offer applies only to your qualifying adopted dog or cat and not to any other animals and redeemable only at a participating VCA Animal Hospital listed on this certificate. This certificate is void should you select another veterinary hospital for the initial examination of your adopted pet.
