

Corporate Volunteering Opportunities

About Us

Seattle Humane is one of the region's leaders in animal adoption, education and welfare.

We are more than a shelter – we are a pet resource center, providing adoption services, a pet food bank and financial support for pet parents, low-cost spay/neuter surgeries and wellness exams, humane education for all ages and more.

Through all these programs, Seattle Humane strives to ensure that animal companionship is accessible to all.

Our community powers Seattle Humane, with the majority of our revenue coming from generous individual donations, corporate sponsorships and planned gifts. These funds support lifesaving transfers, as well as provide desperately needed resources to keep pets in loving homes and out of the shelter entirely.

Partner with Seattle Humane!

Corporate support fuels our lifesaving work and we would love to partner with your company!

Working with Seattle Humane aligns your brand with a respected national leader in animal welfare and provides an exciting opportunity for employee engagement.

There are a variety of ways for your organization to volunteer and engage with Seattle Humane either onsite or virtually. There is a suggested donation of \$1,000 for all corporate groups and Corporate Members receive volunteer opportunities as part of their membership benefits. All groups are company exclusive. We can accommodate volunteer groups of up to 25 people onsite.

Individual Volunteer Opportunities

We love our volunteers and could not operate to the full extent that we do without them — they are the heart and center of operations here at Seattle Humane. For more information about volunteer and foster opportunities, please visit [the volunteer page](#) on our website.
