How to Use Kindness Cards

Seattle Humane's Pet Food Bank collects and distributes donations of pet food and supplies to pet owners in the community. The program provides nearly 82,000 meals each month of donated pet food delivered by volunteers to families and food banks throughout the region.

Be a part of Seattle Humane's mission by helping keep pets with their families! These Kindness Cards are great way to get started and connect with your neighbors, ask for donations, and make a difference in your community. Read the guidelines below to get started or create your own flyer.

Guidelines:

- Decide where you want to distribute your Kindness Cards. This could be during a walk around your neighborhood or during a community event. Print the Kindness Cards included on the next page and cut each sheet in half, creating two cards. Write your name at the top and a way to contact you at the bottom of each card. Only include information you are comfortable giving out.

- Circle the activities that you are willing to help with and add any additional tasks that are meaningful to your own community. Some examples might include dog walking or pet sitting, hosting a craft fair, bake sale, or other fundraiser. Be creative and use your skills!

- Place the card on a community board or share electronically through platforms like NextDoor. If you are comfortable, you can place cards under the windshield wiper on a neighbor's car, or tuck under a door mat. Do not put any Kindness Cards inside mailboxes without postage, as this is illegal.

- Let Seattle Humane know if you receive requests for food or supplies. We may be able to help!

Your kindness and dedication make a difference to the people and pets in your communities. Thank you!

Hello Neighbor!

My name is _____

I love my community and want to support the pets and people in it. If you are able to help animals stay with their families, here are some suggestions.

Ways to help Seattle Humane keep pets and their families together:

🐾 Donate pet food & supplies! Scan the code or bring items to the shelter.

🐾 Donate now! Scan the code.

I can help...

🐾 Pick up pet food you would like to donate

🐾 Deliver pet food or supplies to you
